

Weddings

at the North Jersey Vineyard Church

Basic Requirements

Premarital Counseling

Premarital counseling will focus on building a marriage that will be successful and fruitful according to God's plan for marriage. These sessions involve going through a workbook to discuss biblical truths for marriage in an understandable and practical style.

Four Months Advanced Notification

Please begin this process at least four months prior to your proposed wedding date. This will allow you to complete the preparation materials and participate in the required Premarital Counseling. These counseling sessions may raise issues that will require time to process and work through to a healthy resolution.

Fees

To be considered a Member of the North Jersey Vineyard, you must have completed Vineyard 101 & signed the covenant agreement.
